

CONSUMER RESPONSIBILITIES

HMI Shower Enclosures line of tub and shower enclosures are made of tempered safety glass, durable hardware, and the finest aluminum. With the proper care and maintenance, your enclosure will provide a lifetime of use. HMI does not recommend the use of harsh abrasive cleaners on any of its products, as they may damage the glass or metal finish of your enclosure. Care & Cleaning Guidelines may be found at hmiglass.com.

LIMITED LIFETIME WARRANTY

HMI will, at its election, replace any part of your enclosure found to be defective in materials or workmanship occurring in normal residential usage and maintenance during the warranty period. Any parts found to be defective will be replaced free of charge. Cost of freight to replace product or parts covered by this warranty is the responsibility of the original user. This warranty covers parts only. HMI is not financially liable for installation, removal or reinstallation of any product or material requiring warranty service. HMI is not liable for the costs of repair or replacement of any installation material, including but not limited to tile, marble, etc. Any damage that results from incorrect installation or removal/reinstallation is not covered within this warranty.

WARRANTY TERMS

This warranty is valid only if the enclosure is installed by a licensed, insured, or bonded professional. This warranty extends only to the original owner/end user and for personal household use only. This warranty is non-transferable. Additional limitations apply for commercial use.

HMI warrants to the original owner/end user, the aluminum extrusions and hardware for your tub or shower enclosure to be free from defects in materials and workmanship. May exclude wear items such as vinyl and polycarbonate parts. This warranty does not cover any claim arising from abuse, misuse, negligence, leakage, accidents, abrasives, accidents, improper installation or operation, alterations, or natural disasters.

No other warranties are expressed or implied, including that of merchantability or fitness for a particular purpose. In no event shall HMI be liable for special, direct, indirect, or consequential damage, including but not limited to, loss of profits or damage to other property. Any warranty implied by law and not effectively excluded by this warranty are limited to the duration and remedies of this warranty.

The laws and regulations that govern the installation, design, and use of the shower or tub enclosure vary widely. HMI does not control the selection of product, configuration, actual installation, operating hardware, or glazing material, and therefore does not assume any responsibility thereof.

HMI reserves the right to modify this warranty at any time, and the consumer understands that such modification will not alter the warranty conditions applicable at the time of the sale of the product.
