

## CLASSIC | *Sliding Shower Doors*

The name says it all. HMI's enduring, consistent, go-to slider "Classic" was built for budgets but is made to last. We've reimagined our Classic Series with a Platinum level header, now standard on all configurations. Simple design that has substantial merits when entry level pricing matters & quality counts.

*For the full line of Classic configurations, visit [hmiglass.com/classic](http://hmiglass.com/classic)*
