How to use this guide...

HMI Shower Enclosures offers a wide range of styles. These pages contain basic info about each of the different series of shower enclosures. Below is a sample of one of the series listings, and what you can learn about it:

Name:

The name of this series, but that's obvious, right?

Glass:

Lists the stocked glass patterns, and also any additional available colors or patterns.

Finishes:

Lists the stocked finishes, as well as if custom powder coat finishes are available.

Configurations:

Shows stock configurations available. Right below each is the page number in the price book where you can find details and pricing info. Remember, custom layouts are possible with most series.

PLATINUM CLASSIC OPTION

Semi-Frameless sliding door enclosure -
(Classic Series with the Platinum header & compression towel bar & pull)

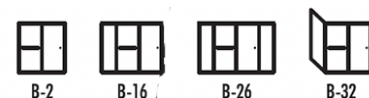

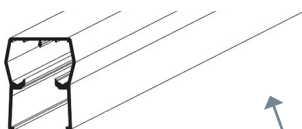

Classic Series with custom options:

- Standard Platinum header
- Double wrap-around towel bar with compression fit pull

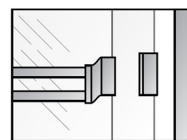

Glass: 3/16" Clear or Rain

Optional patterns & colors available
(please inquire)

Hardware:

Finishes: Brushed Nickel, Chrome, Oil Rubbed Bronze, Matte Black plus Custom Powder Coat Options

Double Towel Bar

Want more? Thicker glass or through-the-glass towel bar? Try the Platinum Traditional Euro series.

Standard Options:

These are the options that are included for this series.

Hardware:

Displays the header and pulls that are available with this series.

Want More?:

If you'd like a little more with your shower enclosure, look for suggestions here as to what's available at the next level..

◆ Sliding door *enclosures*

PLATINUM CLASSIC SERIES – PTE/PSE

Semi-Frameless sliding door enclosure

HMI's most popular semi-frameless shower enclosure:

- Platinum level header
- Ultra-smooth rollers
- Custom sizes available

Glass: 3/16" Clear or Rain

Optional patterns & colors available (please inquire)

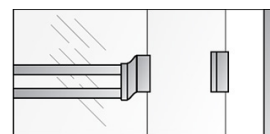

Hardware:

Platinum Header (ZTE 1301)

Finishes: Brushed Nickel, Chrome, Oil Rubbed Bronze, Matte Black and Custom Powder Coat

Wrap-Around Double Towel Bar & Pull

Want more? Thicker glass or a through-the-glass towel bar? Try the Platinum Traditional Euro series.

PLATINUM TRADITIONAL EURO SERIES – PTETE/PTESE

Semi-Frameless sliding door enclosure

HMI's most popular semi-frameless bypass with through the glass hardware:

- Heavy duty
- Platinum level header
- Ultra-smooth rollers

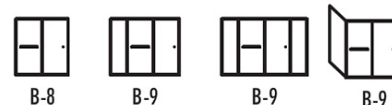

Glass: 1/4" Clear or Rain

Optional patterns & colors available (please inquire)

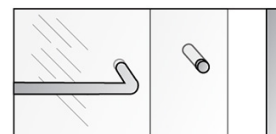

Hardware:

Platinum Euro Header (ZTE 6201)

Finishes: Brushed Nickel, Chrome, Oil Rubbed Bronze, Matte Black and Custom Powder Coat

Through-the-glass Towel Bar & Pull with optional concave caps (included)

Want more? Thicker glass? Upgrade to a Platinum Riviera Euro series.

PLATINUM RIVIERA EURO SERIES – PRETE/PRESE

Semi-Frameless sliding door enclosure

- Heavy duty
- Platinum level header
- Ultra-smooth rollers
- 5/16" Clear glass

Glass: 5/16" Clear

Optional patterns & colors available (please inquire)

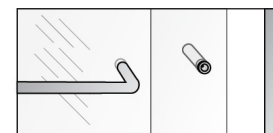

Hardware:

Platinum Heavy Duty Euro Header (ZTE 6201)

Finishes: Brushed Nickel, Chrome, Oil Rubbed Bronze, Matte Black and Custom Powder Coat

Through-the-glass Towel Bar & Pull with optional concave caps (included)

Want more? Thicker glass? Try the Heavy Euro series.. **A more contemporary look?** Try the Skyline series..

◆ Sliding door *enclosures*

HEAVY EURO SERIES – HGTE/HGSE

Semi-Frameless sliding door enclosure

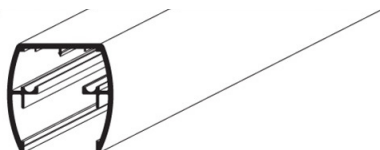

Similar to **Platinum Riviera** but adds:

- Heavy duty Euro header
- 3/8" Clear glass

Glass: 3/8" Clear

Optional patterns & colors available
(please Inquire)

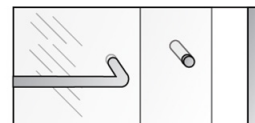

Hardware:

Heavy Duty Euro Header (ZTE 2602)

Finishes: Brushed Nickel, Chrome, Oil Rubbed Bronze, Matte Black & Custom Powder Coat

Through-the-glass Towel Bar & Pull with optional concave caps

Want more? Less metal? Try the Skyline series.

CAPITAL SERIES – CAP

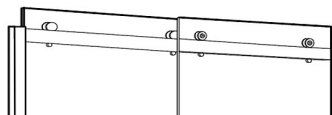

Frameless sliding door enclosure

- 3/8" Clear glass
- Double By-Pass
- Offered with jambs or a jambless version

Glass: 3/8" Clear

Optional patterns & colors available
(please inquire)

Hardware:

Finishes: Brushed Nickel, Chrome, & Matte Black

Through-the-glass Towel Bars

CELESTIAL SERIES – CEL

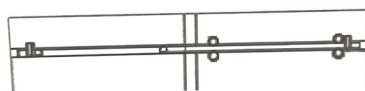

Frameless sliding door enclosure

- 3/8" Clear glass
- One fixed panel & one sliding panel
- Choice of clips or U-channel for fixed panel

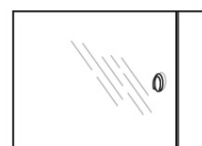

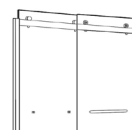

Glass: 3/8" Clear

Optional patterns & colors available
(please inquire)

Hardware:

Finishes: Brushed Nickel, Chrome & Matte Black

Celestial 2 1/4" Pull

◆ Sliding door *enclosures*

SKYLINE SERIES – SKY

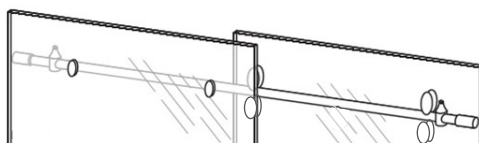

Frameless sliding door enclosure

- Exposed rolling hardware
- One fixed panel and one sliding panel
- Panels held with clips (channels optional)
- 2 1/4" Skyline Pull (Puck)

Glass: 3/8" Clear

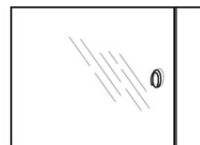

Optional patterns & colors available (please Inquire)

Hardware:

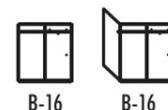

Skyline Series Roller System

Finishes: Polished Stainless Steel (which resembles Chrome), and Brushed Stainless Steel (which resembles Brushed Nickel), Matte Black & Roman Bronze

Skyline 2 1/4" Pull

Want more? Thicker glass? Try the Empire series.

EMPIRE SERIES – EMP

Frameless sliding door enclosure

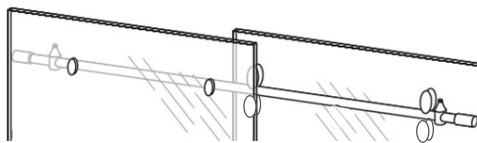

Similar to **Skyline Series** but adds:

- 3/8" or 1/2" Glass
- Heavy Duty Skyline Roller System
- Heavier 1" hollow bar
- Larger Wheels
- 2 1/4" Skyline Pull (Puck)

Glass: 3/8" or 1/2" Clear

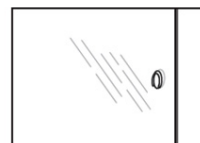

Optional patterns & colors available (please Inquire)

Hardware:

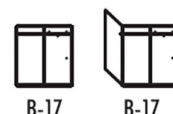

Empire Series Roller System

Finishes: Polished Stainless Steel (which resembles Chrome), and Brushed Stainless Steel (which resembles Brushed Nickel) & Champagne Bronze

Skyline 2 1/4" Pull

Want more? Even cooler? Try mixing up the glass, adding cast glass, or swapping to a ladder pull.

◆ Swing door *enclosures*

CLASSIC SERIES – CD

Semi-Frameless swing door enclosure

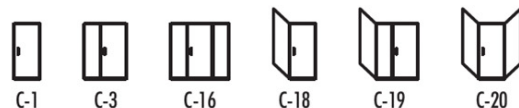

HMI's all purpose Semi-Frameless shower enclosure, available in a myriad of configurations, optional headers and hardware offered with standard through glass 6" tubular style pull and clear sweep.

Glass: 1/4" Clear or Rain Door Glass
 3/16" Panel Glass
 Optional patterns & colors available
 (please Inquire)

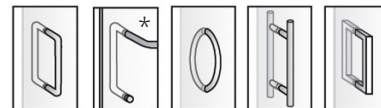

Hardware:

ZSS 3101
(Standard)

Finishes: Brushed
 Nickel, Chrome, Oil Rubbed
 Bronze, Matte Black & Custom
 Powder Coat

Multiple Pull Options

*Note: C-Pull towel bar option may impact functionality

Want more? Thicker panel glass/less metal? Try the Uptown Series enclosure.

UPTOWN SERIES – UP

Semi-Frameless swing door enclosure

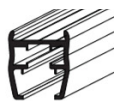

Similar to **Classic Series** but adds:

- 1/4" panel glass
- Clear polycarb strike replaces metal center post
- Four styles of through-the-glass back-to-back handles to choose from - at no extra cost

Glass: 1/4" Clear
 Optional patterns & colors available
 (please Inquire)

Hardware:

Multiple
 Header
 Options

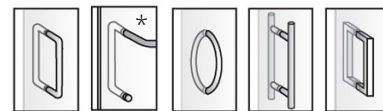

ZSS 3101
(Standard)

ZSS 4101A

Finishes: Brushed
 Nickel, Chrome, Oil Rubbed
 Bronze, Matte Black & Custom
 Powder Coat

Multiple Pull Options

*Note: C-Pull towel bar option may impact functionality

Want more? More frameless look that is also still economical? Try the Uptown Grand enclosure.

UPTOWN GRAND SERIES – UPGR

Semi-Frameless swing door enclosure

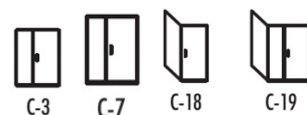

Similar to **Uptown Series** but adds:

- 3/8" panel glass
- No header is required on the Uptown Grand
- Same four styles of through-the-glass back-to-back handles to choose from - at no extra cost

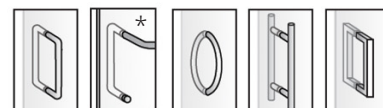

Glass: 1/4" Clear door, 3/8" Clear panel
 Optional patterns & colors available
 (please Inquire)

Hardware:

No Header
 includes
 Clear
 Polycarb
 Strike

Finishes: Brushed
 Nickel, Chrome, Oil Rubbed
 Bronze, Matte Black & Custom
 Powder Coat

Multiple Pull Options

*Note: C-Pull towel bar option may impact functionality

Want more? Thicker door glass? Try the TruFit Series.
